Outstanding Advisory Committee Recommendation

Cuyahoga Community College will acknowledge one Outstanding Advisory Committee each spring. Committees aligned with all academic programs are eligible. The committee selected as the Outstanding Advisory Committee is honored at the annual Advisory Committee Appreciation Breakfast. Recommendations should highlight the committee’s support of the foundational principles highlighted in the 2018-2022 Strategic Plan - Access, Equity, and Success - during the current Academic Year. Care should be taken to address all required elements in submitting a recommendation. It is recommended that section headings align with the criteria listed below.

Recommendations must address each of the following:

1. Please list the dates of your committee meetings during this academic year
2. How does the committee demonstrate commitment to the program and its goals
3. How does the committee exemplify the vision and values of the College?
4. Please provide examples of ways the committee has*
   a. Informed the College of developments in the field
   b. Contributed to the assessment of regulatory and/or accreditation compliance
   c. Assisted in the review and development of program curriculum
5. How has the committee promoted paid employment opportunities for Tri-C students and graduates?

*A committee may or may not have addressed all three within a given academic year. Address each area where notable achievement was made.

Please attach recommendation and supporting documentation.

Committee Name:  

Recommendation author:  Date: 

Please return completed recommendations to the Office of Learning and Engagement District 230 or by email to Maria.Mitchell@tri-c.edu prior to the end of business on Tuesday, April 30, 2019.
